DETAILED ACTION

Allowable Subject Matter

Claims 1-28 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Claims 1, 15, and depending claims are allowable over the prior art of record as noted in the previous office action. Examiner notes the Spanish Patent Office International Search Report includes two "X" type anticipatory references, however, upon review of each reference, examiner has concluded that neither reference teaches an outer grill and an inner grill for a cyclone dust collecting apparatus as required in claims 1 and 15.
